We always appreciate your cooperation.

With regard to your information on the procurement activities  
by Syria, according to the interview with Photron, it is  
found that they have not exported their products to Syria  
recently, nor have they any ongoing inquiries from Syria.

We asked the company to pay attention to the inquiries from  
Syria as well as any doubtful orders, and to report/consult  
us in the case such inquiries/orders are made.

We would be glad if above information be of any help to you.  
We will also welcome further information on this matter.

End non-paper.
